## Miscellaneous Provisions

## MISCELLANEOUS PROVISIONS

### **Illumination**

The Contractor shall ensure that construction areas, aisles, stairs, ramps, runways, corridors, offices, shops and storage areas where work is in progress shall be adequately lighted with either natural or artificial illumination.

### **Hand and Power Tools**

All hand and power tools and similar equipment whether furnished by the Contractor or their employees, shall be maintained in a safe condition. Damaged tools shall be immediately repaired or replaced. Tools shall be used only for the purpose for which they are designed.

Loose clothing, rings and other jewelry shall not be worn around operating tools or machines. Keep sleeves buttoned or rolled up.

The Contractor is solely responsible for his equipment and goods. GHB is not responsible for any losses by theft (or by whatever nature) of the Contractor's property.

Any tools that are designed to have guards must have those guards in place at all times.

### **Portable Water**

The Contractor shall furnish an adequate supply of portable water, containers and disposable cups to his employees for drinking water.

### **Sanitation**

The Contractor shall furnish adequate toilet facilities for his employees. All portable toilets shall be kept clean and sanitary and located in an easily accessible area. If they are to be used at night, the area shall be well lit.
